Case No. 2:18-cv-01731-APG-CWH

8                   Plaintiffs,

9  
10                  **ORDER**

11                  v.

12     79 LLC,

13                  Defendant.

14                  This matter is before the court on plaintiffs Male Performance Medical Partnership, LLC  
15     and Medical Partnership, LLC's response (ECF No. 18) to the court's order to show cause.

16                  On March 26, 2019, the court recommended that this case be dismissed based on  
17     plaintiffs' failure to comply with a court order to obtain an attorney and failure to respond to the  
18     court's order to show cause. (R&R (ECF N. 16).) Plaintiffs have now responded to the order to  
19     show cause, stating that they retained an attorney and that their failure to comply with the court's  
20     previous orders was a result of excusable neglect. Given that plaintiffs now have an attorney, the  
21     court deems its order to show cause satisfied and will vacate its pending report and  
recommendation that the case be dismissed. This case will proceed on the normal litigation track  
as guided by the Federal Rules of Civil Procedure.

22                  IT IS THEREFORE ORDERED that the court's order to show cause (ECF No. 15) is  
23     deemed SATISFIED.

24                  IT IS FURTHER ORDERED that the court's report and recommendation (ECF No. 16) is  
25     VACATED.

26                  DATED: May 7, 2019
